**GYRO CLUB ROSTER ADDITIONS / CORRECTIONS/ CHANGES:**

Nothing to report for this month.

**PAST EVENTS:**

The Valentine Party hosted by Ed Blasken on Sat. Feb. 14 was a great success! A happy hour was followed by a delicious supper. A decadent chocolate fondue dessert (low calorie of course) topped off the meal.

After the meal Darcy, a talented disc jockey, entertained us with a karaoke evening. Twelve persons from the Stampede City Gyro Club joined the thirty-six from our Club in showing off our hidden singing talents during the evening. There was a great variation in the skill level of the singers but it was a fun night for everyone. Thanks again to Ed Blasken for arranging the evening.

**HEALTH OF THE CLUB:**

Ethan Compton has nothing to report at this time.

**The Sneeze**

They walked in tandem, each of the ninety-three students filing into the already crowded auditorium. With rich maroon gowns flowing and the traditional caps, they looked almost as grown up as they felt. Dads swallowed hard behind broad smiles, and Moms freely brushed away tears.

This class would not pray during the commencements not by choice but because of a recent court ruling prohibiting it. The principal and several students were careful to stay within the guidelines allowed by the ruling. They gave inspirational and challenging speeches, but no one mentioned divine guidance and no one asked for blessings on the graduates or their families. The speeches were nice, but they were routine.....until the final speech received a standing ovation.

A solitary student walked proudly to the microphone. He stood still and silent for just a moment, and then he delivered his speech. An astounding –SNEEZE!

The rest of the students rose immediately to their feet, and in unison they said, “GOD BLESS YOU.”

The audience exploded into applause. The graduating class found a unique way to invoke God’s blessing on their future with or without the court’s approval.

### Senior Citizen Doctor Visit

An older gentleman had an appointment to see the urologist who shared an office with several other doctors. The waiting room was filled with patients. As he approached the receptionist he noticed that the receptionist was a large unfriendly woman who looked like a Sumo wrestler.

He gave her his name. In a very loud voice, the receptionist said, “YES, I HAVE YOUR NAME HERE; YOU WANT TO SEE THE DOCTOR ABOUT IMPOTENCE, RIGHT?”

All the patients in the waiting room snapped their heads around to look at the very embarrassed man. He recovered quickly, and in an equally loud voice, replied, “NO, I’VE COME TO INQUIRE ABOUT A SEX CHANGE OPERATION, BUT I DON’T WANT THE SAME DOCTOR THAT DID YOURS.”
