GYRO CLUB ROSTER ADDITIONS / CORRECTIONS / CHANGES:

There are no items to report at this time.

PAST EVENTS:

There were 70 persons in attendance at the Gyro Club of Calgary Christmas Luncheon which was hosted by Alan Campbell and Ron Thibault. The turkey dinner with all the trimmings was delicious. The entertainment consisted of a trio which provided some excellent singing which was enjoyed by all. Gyro Bob Walker read a thoughtful story which was most appropriate for the season. And then Santa paid the group a visit and handed out candies to everyone. Caught up in the excitement of the moment Dave Gareau sat on Santa's knee and proceeded to ask for numerous gift items for Christmas. Neither Santa nor Dave would tell us just what the gift items were!

The Presidents Christmas Party was also well attended. The setting was wonderful, being held in the Atrium Square again this year thanks to Ken Baker. There were delicious food items to eat and it would be safe to say that everyone's diet was put on hold during this event. Thanks to President Garry Davies and his willing helpers for hosting this fine event.

HEALTH OF THE CLUB:

Ethan Compton and I haven't heard of any health issues with the Gyros.

PRESIDENTS CORNER:

A lot of Past Presidents told me that I would enjoy my year as President and they were right. How time flies. It's hard to believe that it is 2004 and I am celebrating my 10th year in Gyro! Thanks for the support that I have received so far.

As I look ahead at the events your Committee Chairmen have planned for the rest of the year I know it will be a fun one. Please continue to give them your support.

To all Gyros and Gyrettes who have had an "unkind" year – we're all thinking of you and wish you only good things for the upcoming year.

On behalf of Barb and myself I would like to take this opportunity to wish everyone a Happy, Healthy and Prosperous New Year.

In Gyro,
Garry

DID YOU HEAR.....

A young man named Mike applied for an engineering position at a Newfoundland firm based in St. John's. A Mainlander applied for the same job and both applicants, having the same qualifications, were asked to take a test by the department manager. Upon completion of the test both men had only missed one of the questions. The manager went to Mike and said, "Thank you for your interest, but we've decided to give the Mainlander the job."

"And why would you be doing that?" asked Mike. "We both get 9 questions correct. This bein' the rock and me being a Newfie I should get the job."

"We have made our decision not on the correct answers, but on the question that you missed."

"And just how would one incorrect answer be better than the other?"

"Simple," replied the manager. "On question #5 the Mainlander put down, "I don't know." You put down "needer do I."

Note: I am sending three additional attachments with this bulletin. One is the latest Governor Al Clark's Bulletin #2 and the two forms related to the District VIII Interim in Fairmont, BC.
