GUESS WHO'S COMING TO DINNER:

Guess Who's Coming To Dinner is being organized by the Stampede City Gyro Club once more. Gyros Nigel Way (243-7258) and Richard Duncan (255-1035) are coordinating this event. Basically you go to 2 dinners as guests and the third dinner you host at your home. As guests you receive a phone call between 4:30 and 5:00 p.m. letting you know where the host lives. The host does not know who is coming to dinner. You are to arrive at the host's home at 6:30 p.m. and bring your pre-dinner drinks with you. Dinner drinks are provided by the host. It is a lot of fun and a great way to meet new people. I know that either Nigel or Richard would be pleased to add your names to their Guess Who's Coming To Dinner List.

PAST EVENTS:

Gyro Club of Calgary Installation: There were 97 in attendance at our recent Gyro Club of Calgary installation – an exceptional turnout! Six couples from the Stampede City Gyro Club, 4 couples from the Sherwood Park Gyro Club, one couple from the Edmonton Gyro Club, and 2 couples from the Lethbridge Gyro Club joined us for a great evening. After a nice meal, Eric Braun, our 2nd Lt. Governor installed the new executive. The names of the new executive members are printed on the first page of our 2003/2004 Club Roster. The Installation was followed by some very humorous entertainment which had everyone laughing. Thanks to John Fildes for organizing this memorable evening.

DID YOU HEAR.....

One day my house-challenged husband decided to wash his sweatshirt. Seconds after he stepped into the laundry room, he shouted to me, “What setting do I use on the washing machine?” “It depends,” I replied. “What does it say on your shirt?” He yelled back. “University of Oklahoma.” And they say blondes are dumb.....

He said – What have you been doing with all the grocery money I gave you? She said – Turn sideways and look in the mirror.

“It’s just too hot to wear clothes today,” Jack says as he stepped out of the shower, “honey, what do you think the neighbors would say if I mowed the lawn like this?”
“Probably that I married you for your money.” she replied.

My grandson was visiting one day when he asked, “Grandma, do you know how you and God are alike?” I mentally polished my halo while I asked, “No, how are we alike?”
“You’re both old,” he replied.
